SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	7.77	2027
B.E. *Civil Infrastructure*	UNIVERSITY OF MUMBAI	64.24	2024-Jul
Diploma	K. J. SOMAIYA POLYTECHNIC, MUMBAI	90.2	2021-Aug
High School	CENTRAL BOARD OF SECONDARY EDUCATION	69.6	2017-Jun

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 54 Weeks)

J. Kumar Infraprojects Ltd

04-May-2026 - 11-Jul-2026 **9 Weeks**

PROFILE: Intern

- Supported post-tender project planning and project controls for a major government infrastructure project of 32.18 km, 4-lane expandable to 8-lane expressway connecting proposed Vadhavan Port to Tawa Village on NH-48 under EPC mode.
- Applied analytical and problem-solving skills to analyse construction drawings and specifications, extract and structure quantitative project data, identify quantity discrepancies, and support accurate project planning and execution decisions.
- Assisted in preparation of Bill of Quantities (BOQ) for concrete quantity validation for major infrastructure components, including piles, pile caps, piers, pier caps, girders, deck slabs, PCC, wearing coats of bridges, culverts, flyovers, interchanges.
- Prepared Bar Bending Schedules (BBS) i.e. reinforcement quantity calculations for piles, pile caps, piers and pier caps by interpreting detailed structural and drawings.
- Developed MS Excel-based quantity and measurement sheets using formulas to organize, calculate project quantities and support BOQ and BBS preparation.
- Gained practical exposure to the infrastructure project lifecycle, including EPC contracts and post-tender processes, documentation and project controls.

ACE Properties

01-Jul-2024 - 28-Feb-2025 **34 Weeks**

PROFILE: Junior Site Engineer

- Supervised construction execution activities across multiple G + 16 towers at different stages, from excavation and structural works through finishing and fit-out, within tight timelines, demonstrating person drive, ownership, adaptability, prioritisation, and ability to deliver high-quality outputs in demanding project environments.
- Inspected incoming bricks, reinforcement bars and concrete for quantity and quality compliance, supporting material control and construction quality assurance.
- Conducted construction inspections and compliance checks against approved drawings, technical specifications and project requirements, identifying execution deviations supporting timely resolution.
- Assisted in site planning and administration, including planning site layouts and work areas to facilitate simultaneous construction activities, improve workflow and maintain efficient site operations.
- Prepared Progress Reports (DPRs & WPRs), reconciliation sheets and Coordinated with project managers, contractors, consultants and site teams to communicate project requirements, resolve technical issues and maintain alignment.

RRC Ventures Private Limited

08-Dec-2022 - 08-Jan-2023 **4 Weeks**

PROFILE: Construction Supervisor Intern

- Conducted construction inspections for a 40-storey high-rise project, covering pre and post concreting operations.
- Performed site safety checks, including verification of safety tags, work-at-height controls, access arrangements, PPE compliance and general site conditions, identifying potential hazards and communicating observations to the team.
- Inspected Mivan aluminium formwork during high-rise construction to verify alignment, dimensions, installation and removal against approved drawings and specifications.

CITY AND INDUSTRIAL DEVELOPMENT CORPORATION OF MAHARASHTRA LIMITED (CIDCO)

01-Jun-2022 - 20-Jul-2022 **7 Weeks**

PROFILE: Construction Supervisor Intern

- Monitored daily construction activities, project progress and site execution for residential and related infrastructure, supporting adherence to project requirements and execution targets.
- Conducted site inspections and quality checks by reviewing workmanship, materials, approved drawings and technical specifications against established project requirements.
- Assisted senior engineers in identifying execution issues and potential project impacts, supporting timely corrective actions and maintaining project controls.

CERTIFICATION DETAIL

- MahaRERA Real Estate Agent Training and Examination
