INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 14 Weeks)

Cendrol Contruction Contracts Pvt Ltd

20-Jan-2025 - 08-Mar-2025 **6 Weeks**

PROFILE: Construction Project Engineer Intern

- Supported project planning, scheduling, and risk identification during the design-to-execution phase, contributing to drawings analysis and specification development.
- Conducted quality assessments and schedule adherence checks (project controls) against defined scope, budget, and standards.
- Coordinated with vendors and cross-functional, geographically dispersed teams to ensure timely material procurement and compliance with project specifications and cost expectations.
- Supervised on-site execution activities, applying governance and control practices to maintain alignment with project plans and quality standards.
- Applied strong analytical and problem-solving skills to resolve issues affecting project quality, cost, and progress, while managing multiple priorities in a fast-paced environment.

Rodic Consultants Pvt Ltd

11-May-2026 - 11-Jul-2026 **8 Weeks**

PROFILE: Business Development

- Studied and analyzed Requests for Proposals (RFPs) to understand project requirements and scope.
- Reviewed company eligibility criteria against RFP requirements and identified areas for improvement to strengthen future bid qualification.
- Discussed RFP analysis and eligibility findings with the reporting manager through regular review meetings.
- Researched upcoming, ongoing, and completed infrastructure projects relevant to the organization.
- Studied upcoming infrastructure tunnel projects as part of dedicated project research.
- Gone through the tunnel project documentation to understand technical and feasibility aspects.
