SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University of Construction Studies, Hyderabad,Telangana	7.21	2027
B.Tech *Civil Engineering*	JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY HYDERABAD	70.87	2022-May
Intermediate *Science (PCM)*	TELANGANA STATE BOARD OF INTERMEDIATE EDUCATION , TELANGANA, HYDERABAD	87	2018-Apr
High School	SSC BOARD OF SECONDARY EDUCATION ,TELANGANA STATE, HYDERABAD	76	2016-Mar

TOTAL WORK EXPERIENCE: 36 month(s)

Honer Homes

14-Nov-2023 - 31-Jul-2025 **1 Years, 8 Months, 17 Days**

PROFILE: Junior Engineer Client

Client Engineer | Honor Signatics Project (G+25 Residential Towers)

- Played a key role in the execution of the Honor Signatics project, consisting of 18 G+25 residential towers
(9 in superstructure with MIVAN formwork, 6 in substructure). Contributed to maintaining project momentum
towards achieving handover date. Responsibilities included.
- **Excavation:** Oversaw excavation activities, ensuring adherence to project specifcations and safety protocols.
- **Substructure:** Assisted in the management of substructure works for 6 towers, including footing, raft, and column
construction, guaranteeing compliance with design requirements.
- **Superstructure:** Supported the execution of superstructure construction for 9 towers using MIVAN formwork12,
including slab casting, wall erection, and alignment verfication. Mivan formwork enhances building strength and
durability.
- **WTP Structure:** Participated in the construction of the water treatment Plant (WTP) structure, contributing to
Quality control and timely completion.
- **Non-Tower Areas:** Supported execution activities in non tower 4 ones, including landscaping, utility installations,
and external infrastructure development.

Xtord Design PVT LTD

01-Aug-2022 - 10-Nov-2023 **1 Years, 3 Months, 9 Days**

PROFILE: Junior Engineer Contractor

Ramky One Orbit (Conventional Residential Project)
Client: Ramky Group
Role: Jr Engineer
Location: Hyderabad

- **Supervised civil works including RCC structure, blockwork, and finishing in a high-rise residential project.**
- **Coordinated with structural, architectural, and MEP teams for smooth project execution.**

- **Managed site labor and subcontractors to meet deadlines while maintaining quality standards.**
- **Reviewed construction drawings and ensured execution as per GFC drawings and project specs.**
- **Reported progress, material requirements, and site issues to project management on a regular basis.**

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 17 Weeks)

JMC PROJECTS (INDIA) LTD.

01-Sep-2021 - 30-Sep-2021 **4 Weeks**

PROFILE: INTERN TRAINE ENGINEER

- Assisted in supervision of reinforced concrete works, including formwork, rebar placement, and concreting as per drawings and standards.
- Supported Quality Management System (QMS) by ensuring site activities met required quality checks and documentation standards.
- Monitored finishing activities such as plastering, painting, tiling, and ensured work was done to specifications and aesthetics.
- Assisted the planning team with preparation of daily and weekly schedules, material tracking, and work progress monitoring.
- Worked with the Quantity Surveying (QS) team to measure work done, prepare BOQs, and support billing activities.
- Maintained accurate site records, including DPRs, checklists, and material reconciliation.
- Demonstrated strong enthusiasm and eagerness to learn, actively seeking feedback and participating in technical discussions.
- Followed safety protocols and showed professionalism, contributing positively to the site team and work environment.

LANCO HILLS

01-Nov-2021 - 08-Dec-2021 **5 Weeks**

PROFILE: INTERN TRAINE ENGINEER

- Assist in supervising flexible pavement construction â€“ including layers like subgrade, GSB, WMM, DBM, and BC.
- Support excavation works by monitoring depth, alignment, and slope as per design.
- Help in measurement and quantity estimation of earthwork, materials, and pavement layers.
- Maintain daily progress reports (DPRs) and assist with documentation like checklists and material records.
- interpret engineering drawings and site layouts for road alignment and cross-sections.
- Follow site safety protocols and participate in safety briefings and toolbox talks.
- Report daily tasks and learning progress to the site engineer or mentor.

Bsr infratech pvt

25-May-2026 - 20-Jul-2026 **8 Weeks**

PROFILE: Management intern

Completed my internship at BSR INFRATECH, contributing to the planning and execution of large-scale institutional infrastructure projects, including the Young India Integrated Residential Schools (YIIRS) Project and the Comprehensive Development Works at Veeranari Chakali Ilamma Women's University, Hyderabad.

My responsibilities included quantity estimation, BOQ verification, rate analysis, vendor and supplier coordination, procurement support, project planning and scheduling, site execution monitoring,

quality control, project documentation, and progress tracking. I also assisted in material planning, contract-related activities, and coordination with multidisciplinary teams to ensure timely and cost-effective project execution.

This internship strengthened my knowledge of construction management, cost estimation, procurement, planning, contract administration, quality assurance, and practical site management while working on complex infrastructure projects.

CERTIFICATION DETAIL

- NPTEL PLASTIC WASTE MANAGEMENT
- NPTEL PROJECT PLANNING & CONTROL

ACHIEVEMENT DETAIL

Professional & Education Achievements :

- 2024 - Awarded " Best Performer of the Year" at Honer Homes.
- 2024- Achieved Quarterly milestones at Honer Homes.
- 2021-Completed Course Certification in Project Planning & Control.
- 2021-Completed Course Certification in Plastic Waste Management.
- Core Committee Member, Green Camps (Student Body), 2019 to 2022.
- 2019- Organised Challenge ACI hackathon-48hrs.
