SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University of Construction Studies, Hyderabad,Telangana	0.00	2027
B.E. *Civil Engineering*	OSMANIA UNIVERSITY	64.93	2023-Jun
Intermediate *Science (PCM)*	TELANGANA STATE BOARD OF INTERMEDIATE EDUCATION (HYDERABAD/TELANGANA)	63.9	2019-Mar
High School	BOARD OF SECONDARY EDUCATION (HYDERABAD/TELANGANA)	72	2017-Mar

TOTAL WORK EXPERIENCE: 25 month(s)

ARK CONSULTANTS

03-Jul-2023 - 31-Jul-2025 **2 Years, 0 Months, 28 Days**

PROFILE: Site Engineer

- Supervised day-to-day construction activities at project sites ensuring adherence to design, quality, and safety standards.
- Coordinated with contractors, consultants, and clients to track progress and resolve on-site issues.
- Prepared daily and weekly progress reports to support project monitoring and management decisions.
- Monitored quality control measures and implemented site safety protocols as per standards.
- Managed manpower, materials, and resources to achieve timely project completion.
- Assisted in planning, execution, and technical problem-solving during various structural works.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 24 Weeks)

Deccan College Of Engineering & Technology

06-Feb-2023 - 02-Jun-2023 **16 Weeks**

PROFILE: Structural Design and Analysis

- Optimized column placement and orientations, improving structural efficiency and constructability.
- Calculated dead, live, wind, and seismic loads, ensuring full IS code compliance.
- Modeled and analyzed structures in STAAD Pro, controlling bending, shear, and deflection to maintain safety and serviceability.
- Designed reinforced concrete members and produced detailed AutoCAD drawings, streamlining construction documentation.
- Verified structural stability and safety, minimizing risk and ensuring adherence to IS standards.

Vasavi Group

18-May-2026 - 13-Jul-2026 **8 Weeks**

PROFILE: Site Engineer

- Assisted in project planning and scheduling of construction activities to ensure timely execution.
- Performed quantity take-offs and supported billing verification for ongoing works.

- Supervised daily site activities and ensured work was carried out as per drawings and specifications.
- Conducted quality checks and ensured compliance with construction standards and safety practices.
- Monitored and coordinated finishing works such as plastering, flooring, and painting.
- Coordinated with contractors, subcontractors, and labor teams for smooth workflow.
- Tracked project progress and prepared daily/weekly progress reports.
- Supported site engineers in resolving technical and execution-related issues.
- Ensured proper material usage and assisted in basic material management on site.
- Maintained documentation related to site activities, inspections, and work progress.

CERTIFICATION DETAIL

- IGBC Accredited Professional - Associate

ACHIEVEMENT DETAIL

- Organized and coordinated the school Annual Day, managing activities, task delegation, and event execution.
- Led the Media Committee during engineering college, overseeing promotions, publicity, event coverage, and team coordination.
- Secured First Place in a Shayari competition, demonstrating creativity, confidence, and communication skills.
- Secured Second Place in an inter-college cricket competition, demonstrating teamwork, discipline, and competitive spirit.
- Contributed to timely, cost-effective, and safe project execution as a Site Engineer at ARK Consultants through effective site coordination and resource management
