12-May-2025 - 12-Jul-2025

8

PROFILE: I have worked on different type of activities such as planning, finishing, development, some part of MEP

1. Planning Stage**Roles:**

- Preparing baseline project schedule with milestones.
- Developing Work Breakdown Structure (WBS).

Responsibilities:

- Planning sequence for civil, finishing, and MEP works.
- Coordination with architects, structural, and MEP consultants.
- Allocation of resources and setting timelines.
- Preparation of look-ahead schedules (weekly/monthly).

2. Development Stage (Structure & Infrastructure)**Roles:**

- Monitoring civil work progress (foundation to roof).
- Interface between site and head office planning team.

Responsibilities:

- Tracking RCC, brickwork, plastering, and service shafts.
- Ensuring site works align with approved schedule.
- Identifying bottlenecks and suggest recovery actions

3. Finishing Stage**Roles:**

- Scheduling and coordinating internal & external finishes.

Responsibilities:

- Planning of tiling, painting, ceiling, door/window fixing.
- Coordinating with vendors for hospital-grade finishes.
- Sequencing cleanroom finishes for OTs, ICUs.

4. MEP (Partial Scope)**Roles:**

- Assist in scheduling and coordination of critical MEP activities.

Responsibilities:

- Tracking HVAC ducting, medical gas line routing, electrical panels.
- Coordinate civil-MEP interface (wall cutouts, service entry).
- Monitoring testing & commissioning schedules for lifts, fire systems.

CERTIFICATION DETAIL

- CCC

ACHIEVEMENT DETAIL

I got 1st prize in Poster presentation at College level
