SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	NA	2026
Graduation	BHONSLA COLLEGE OF ENGINEERING AND RESEARCH, AKOLA	84.88	2020-Dec
Diploma	BHONSLA POLYTECHNIC	60.68	2015-Jun
High School	MAHARASHTRA STATE BOARD OF SECONDARY AND HIGHER SECONDARY SCHOOL, PUNE	69.82	2011-Mar

WORK EXPERIENCE (2 Years 11 Months)**Vision Infrastructure**

02-Feb-2021 - 10-Jan-2024

2 Years, 11 Months, 8 Days**PROFILE:** Civil Engineer

- **Project Planning & Management**

Involved from the beginning in scheduling, budgeting, and coordinating resources to keep the project on track and ensure efficient execution.

- **Site Supervision**

Directly oversaw construction operations on-site to ensure work followed design plans, met quality standards, and adhered to all regulations.

- **Quality Control & Assurance**

Monitored materials, craftsmanship, and construction procedures to guarantee that all aspects of the project complied with the necessary specifications and standards.

- **Safety Management**

Identified potential on-site hazards and implemented corrective actions to maintain a secure and safe working environment for all personnel.

- **Contractor & Subcontractor Coordination**

Collaborated directly with contractors and subcontractors to coordinate activities, resolve concerns, and maintain clear lines of communication throughout the project lifecycle.

- **Problem-Solving & Decision-Making**

Actively addressed issues as they arose, developing practical solutions and making critical decisions to ensure continuous project development.

- **Regulatory & Environmental Compliance**

Conducted regular inspections to ensure that the project adhered to all legal and environmental rules, keeping it on schedule and within legal limitations.

- **Budget Monitoring & Cost Control**

Monitored all expenditures to ensure the project remained within its allocated budget, making financial adjustments as necessary.

- **Documentation & Reporting**

Maintained detailed and accurate records of all project activities, changes, progress, and communications.

- **Stakeholder Collaboration**

Worked closely with architects, structural engineers, and other specialists to ensure all components of the project were integrated and flowed together flawlessly.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 8 Weeks)**SS CONSTRUCTION & GOVT. CONTRACTOR**

19-May-2025 - 19-Jul-2025

8 Weeks**PROFILE:** PROJECT MANAGMENT INTERN

- **Project Coordination:-** Worked closely with internal teams to synchronize equipment mobilization, lab testing, reporting, and client communications. Played a key role in bridging planning outputs with on-ground operations through clear coordination and regular status

reviews.

- **Project Control and Cost Control:-** Helped analyze cost reports, rental timelines, and vendor billing to support decision-making in real time. Proposed control measures to reduce delays and improve budget compliance
- **Concrete Mix Design Trials & Quality Control:-** Prepared and tested a variety of concrete mix design samples, ranging from M25 to M80 grade, with a focus on workability, strength, durability, and sustainability. Performed laboratory tests, including slump tests, cube casting, and compressive strength evaluations, in compliance with IS 456:2000, IS 10262:2019 and IS 516:1959 standards.
