7 Weeks

PROFILE: FINANCE, OPERATIONS AND DATABASE INTERN

Finance:

- Conducted fundamental research on company reports, including balance sheet analysis and financial ratio evaluation of listed companies.
- Analyzed global economic data, including GDP trends, gold reserves, inflation, and interest rates, to gain macroeconomic insights.
- Gained practical exposure to financial markets, stock performance analysis, valuation of listed companies, and live trading operations at the broker's terminal.

Operations:

- Interacted with compliance officers of stock broking firms and trading members, handling regulatory and membership-related queries.
- Supported broker onboarding and membership renewal processes across BSE and NCDEX by coordinating with trading members.
- Coordinated with NCDEX members for compliance-related communication.
- Assisted with administrative tasks such as follow-ups, data verification, and internal reporting.
- Participated in discussions and internal training sessions on SEBI guidelines, settlement processes, and exchange operations.

Database Management:

- Developed and maintained the compliance officers' database across BSE and NCDEX member firms.
- Structured Excel-based reports to track membership renewals, compliance status, and documentation updates.
- Created a centralized system for efficient communication between BSE and registered members.
