As a trainee, I successfully completed the internship training in **Auroville Earth Institute** at **Pondicherry** With the Guideness of **SURRYA BUILDERS** at **SALEM,TAMILNADU**.As a trainee As a trainee my role is to construct the **Archers, vaults and domes using Sandy soil and CSEB blocks**.

J. Kumar Infraprojects Ltd

04-May-2026 - 11-Jul-2026

9 Weeks**PROFILE:** Summer Intern- Site Execution

During my Summer Internship at J. Kumar Infraprojects Ltd. I got hands-on experience, with the planning, execution and monitoring of an EPC infrastructure project. This project was the Chennai Port–Maduravoyal Double-Tier Elevated Corridor. I learned about the process of building an elevated bridge. I looked at foundations, pile caps, piers, precast segments launching girders and cable-stayed bridges. I learned about scheduling using Primavera. I studied Monthly Progress Reports delay analysis, impact schedules and how to plan for workers and machines.Additionally, I was exposed to commercial and project management functions such as Billing Procedures, BOQ Verification, ERP documentation, Subcontractor Billing Process, Contract Administration, Procurement Process, Material Reconciliation and Coordination between Planning, Billing, Quality, Procurement and Site Execution Teams.
