SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.75	2027
Graduation	GANDHI INSTITUTE OF ENGINEERING AND TECHNOLOGY UNIVERSITY, GUNUPUR/ODISHA	75.2	2024-Jun
Intermediate	CENTRAL BOARD OF SECONDARY EDUCATION, SAMBALPUR/ODISHA	67.16	2020-Jul
High School	CENTRAL BOARD OF SECONDARY EDUCATION, SAMBALPUR/ODISHA	69.66	2018-May

WORK EXPERIENCE (0 Years 10 Months)

Dineshchandra R. Agrawal Infracon Pvt. Ltd.

18-Mar-2024 - 18-Jan-2025

0 Years, 10 Months, 0 Days

PROFILE: Graduate Engineer Trainee (GET)

Project: Chennai Metro Phase 2 “ Corridor 3 (Underground Station Construction)

Key Responsibilities:

- Involved in the execution of major civil structures including Diaphragm Wall (D-wall), Guide Wall, Capping Beam, and Roof Slab as part of launching shaft construction using Top-Down Methodology.
- Oversaw utility diversion works, ensuring safe and coordinated rerouting of services prior to excavation and structural works.
- Provided timely updates to client (CMRL) and consultant teams (General Consultants) regarding site progress, inspections, and readiness for approvals“without direct technical support or joint execution.
- Supervised on-site activities including bar bending, shuttering, and concreting; ensured compliance with approved drawings, safety norms, and quality standards.
- Verified setting-out and leveling works, maintained material records, and ensured timely availability of construction resources.
- Maintained documentation of daily progress and communicated relevant site status to internal project heads.

Key Skills & Tools: RCC Structures, Top-Down Construction, Utility Diversion, Metro Projects, AutoCAD (basic), MS Excel

Achievements:

- Played a key execution role in foundational and early structural works in a high-priority metro corridor with limited working space and continuous urban constraints.
- Built professional communication discipline through regular and accurate project updates to senior stakeholders, ensuring transparency and accountability.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 4 Weeks)

HINDALCO A UNIT ADITYA ALUMINUM

01-Jun-2023 - 30-Jun-2023

4 Weeks

PROFILE: INTERN

Summer Intern “ Plant Operations

Aditya Aluminium (Hindalco Industries Ltd., Lapanga, Odisha)

June 2023 (1 Month)

Key Learning Areas:

- Underwent structured industrial training at one of India’s leading aluminium manufacturing units.

- Gained insights into aluminium smelting and manufacturing processes, plant layout, and overall operations in a large-scale integrated plant environment.
- Observed various operational departments including production, maintenance, quality control, and safety management.
- Learned about industrial discipline, safety protocols, and HR practices followed within Aditya Birla Group's core manufacturing facilities.
- Interacted with plant engineers and supervisors to understand real-world applications of engineering principles in heavy industry.
