01-Oct-2024 - 15-Feb-2025

0 Years, 4 Months, 14 Days**PROFILE: HELP BIKE ENGINEER**

- Managed a specific dealer-assigned territory, ensuring strong customer relationships and technical service delivery.
- Conducted regular site visits where ACC Cement was used, offering on-site technical guidance during concreting.
- Educated contractors, engineers, and customers on good construction practices through classes, meetings, and field demonstrations.
- Organized promotional and brand-building activities to increase awareness and drive sales in the assigned area.
- Supported dealers by addressing technical queries and enhancing customer satisfaction with ACC Cement products.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 2 Weeks)**THRISSUR BUILDERS PRIVATE LIMITED**

19-Feb-2024 - 02-Mar-2024

1 Weeks**PROFILE: INTERN**

Gained exposure to three apartment projects at different stages: foundation works, 12th-floor RCC works, and finishing stage.

Reviewed project documents including plans, estimates, schedules, tender documents, and laboratory test reports.

Performed quality checks on construction activities and assisted in site supervision under project engineers.

Observed and learned various aspects of high-rise building construction, from structural works to finishing.

PUBLIC WORK DEPARTMENTS KERALA

10-May-2023 - 17-May-2023

1 Weeks**PROFILE: INTERN**

Reviewed key project documents including plans, estimates, and tender documents to understand public infrastructure project processes.

Visited multiple government project sites such as schools, hospitals, and Kerala Kalamandalam to observe ongoing works.

Gained exposure to various construction activities including concreting, road pavement, and truss installation.

Observed site execution practices and understood coordination between design, estimation, and field implementation in public sector projects.
