1 Years, 2 Months, 2 Days
PROFILE: ARCHITECT

As an Architect at Designers Group, I was responsible for end-to-end design coordination and project administration of high-end hospitality projects. My role required close interaction with clients, brands, vendors, and on-site construction teams to ensure timely delivery of creative and technically sound design solutions.

Key Responsibilities:

Led architectural design and planning for large-scale hospitality developments, including villas, suites, and landscape layouts.

1. Coordinated and communicated effectively with clients, brand consultants, vendors, and construction agencies.
2. Prepared detailed concept presentations for internal and external stakeholders, including brand and IDAC presentations.
3. Oversaw design development stages including conceptual, schematic, and detailed design for projects.
4. Maintained design integrity while balancing functional requirements, budget constraints, and brand standards.
5. Supported project management tasks such as scheduling, documentation, and vendor coordination.

Key Projects Handled:

Resort at Sasan Gir – Design and execution coordination of multiple resort Villas, Presidential Suite, Hotel Wing, and integrated landscape.

Gateway Shilphata – Mixed-use hospitality project coordination with PMC team and vendors .

Brand & IDAC Presentations – Strategic design communication and brand-aligned proposals and presentations.
