PROFILE: CONSTRUCTION OF BUFFER PARKING YARD AT CHENNAI PORT TRUST

- * Helped in site inspections and surveys to understand ground conditions before starting work.
- * Assisted the team in planning and coordinating daily construction activities.
- * Calculated quantities of materials like concrete, aggregates, and paving blocks.
- * Observed how traffic flow and parking layouts are designed for smooth vehicle movement inside the port.
- * Monitored on-site works like excavation, levelling, concrete laying, kerb wall and drains construction.
- * Prepared daily progress reports and maintained site records.
- * Learned about safety measures and construction standards specific to port infrastructure.
- * Coordinated with site engineers and contractors for smooth workflow.
- * Assisted in checking the quality of materials used at the site.
