INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 14 Weeks)**WELSPUN ENTERPRISES LIMITED**

01-Sep-2023 - 11-Dec-2023

14 Weeks**PROFILE: INTERN**

Worked as an Intern where I completed structured training across multiple engineering disciplines and gained hands-on site experience. During my internship, I assisted the Structural Engineer in site inspections, structural drawing reading, and verification of on-site work as per design specifications. I supported the Billing Engineer in the preparation, measurement, and verification of monthly bills and quantity records. I also worked with the Highway Engineer during the laying of Pavement Quality Concrete (PQC) using a paver machine, ensuring quality and execution compliance. Additionally, I collaborated with the Quantity Surveyor (QS) in road estimation, quantity take-offs, and cost calculations. This experience strengthened my technical knowledge in construction management, billing, estimation, and site supervision.
