WORK EXPERIENCE (2 Years 11 Months)**Bokhad construction**

25-Jul-2022 - 10-Jul-2025

2 Years, 11 Months, 15 Days**PROFILE:** Site Engineer

- Supervised on-site construction activities during the initial phase, ensuring compliance with drawings, quality standards, and safety norms.
- Coordinated with contractors, consultants, and vendors to resolve site issues and maintain smooth project execution.
- Prepared quantity take-offs, monitored material usage, and assisted in billing, measurement books, and cost control
- Took charge of project planning, scheduling, and coordination after role transition to Project Coordinator.
- Tracked project progress, managed documentation, and supported timely project delivery through effective coordination
- Monitored site progress and prepared daily work reports (DPRs), helping management track milestones and productivity.
- Reduced material wastage and rework through proper planning, measurement verification, and on-site supervision.
