

ROLL NUMBER: P25700304

**Samudrapu Lakshmi Durga
Anand Kumar**
Male

DOB

28-May-2003

TECHNICAL SKILLS

- AutoCAD
- MS Office
- MS Project

PERMANENT ADDRESS

3-71,Dibbalamida,Near
Mahankallimma Temple,Undi
Mandalam,Mahadevapatnam
City: West Godavari
State: Andhra Pradesh
Pincode: 534199

LANGUAGE

- English
- Telugu
- Hindi

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	9.07	2027
Graduation	SAGI RAMAKRISHNAM RAJU ENGINEERING COLLEGE	75.3	2024-Apr
Intermediate	BOARD OF INTERMEDIATE EDUCATION ANDHRA PRADESH	89.9	2020-Mar
High School	BOARD OF SECOUNDARY EDUCATION ANDHRA PRADESH	95	2018-Mar

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 17 Weeks)**ASCENT CS GLOBAL**

07-Jul-2022 - 06-Sep-2022

8 Weeks**PROFILE: INTERN**

- Utilized AutoCAD to prepare and modify detailed engineering drawings, ensuring alignment with site execution requirements and construction feasibility under engineer supervision.
- Supported project planning and site execution by coordinating drawing updates with on-site progress, enabling accurate material estimation, scheduling, and compliance with design standards.
- Assisted design engineers in executing core design tasks in compliance with project standards and specifications.
- Applied engineering software tools such as AutoCAD to enhance accuracy and efficiency in drafting, detailing, and project documentation.
- Supported planning and site execution by integrating updated drawings and documentation with construction schedules, ensuring smooth coordination between design and field activities.
- Gained practical exposure to design coordination by collaborating with engineers and site teams to align drawings with execution requirements.
- Developed familiarity with software-driven engineering workflows, enhancing efficiency in project planning, documentation, and construction support.
- Prepared and maintained project documentation by linking software-driven designs with field reports, ensuring clarity and compliance with standards.

TRAFFIC POLICE DEPARTMENT, BHIMAVARAM, ANDHRA PRADESH

06-Jun-2023 - 06-Aug-2023

8 Weeks**PROFILE: INTERN IN TRAFFIC VOLUME STUDY**

- Conducted on-site traffic surveys in Bhimavaram locality by systematically observing, monitoring, and documenting vehicular movement patterns.
- Assisted in analyzing traffic data to support planning decisions, improve road safety measures, and contribute to transportation project documentation.
- Assisted in traffic volume studies by accurately recording and analyzing vehicle flow data in coordination with the survey team.
- Contributed to transportation planning by compiling survey findings into structured documentation, supporting assessments of traffic patterns and road usage efficiency.
- Collaborated with local police authorities to identify traffic congestion issues through survey data and field observations.
- Supported implementation of safety measures by documenting findings and assisting in coordination between survey teams and enforcement agencies.

- Supported the survey team by organizing collected data into structured formats, enabling accurate interpretation of vehicular flow patterns for planning and safety assessments.
- Prepared and maintained daily field reports, ensuring accuracy, clarity, and proper documentation of traffic survey data.
- Supported project teams by organizing field observations into structured records, enabling reliable analysis of vehicular movement patterns and congestion trends.
- Presented findings to senior officials, supporting decision-making on congestion management and implementation of road safety measures.
