INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 33 Weeks)**Modi Srivasta and Associates**

16-Jan-2023 - 09-Sep-2023

33 Weeks**PROFILE:** Trainee Architect

During my 33 Weeks architectural internship at Modi Srivastava & Associates, I contributed to the design development, site supervision, and coordination of multiple residential and commercial projects.

Site 1 - Residential Bungalow | Location - Kalali , Vadodara

- Site Area- 10,000 Sqft. G+2 residential Bungalow including 8 bedrooms, kitchen, living room, and other amenities like theater, play room, gym, etc.
- Developed architectural concepts, working drawings, and detailed civil drawings to support accurate site execution.
- Performed daily site supervision to ensure work execution as per approved drawings and specifications.
- Coordinated with contractors, engineers, and clients to ensure project progress and resolve on-site issues.
- Coordinated material procurement and vendor management.

Site 2 - Residential Bungalow | Location - Sama-Savali, Vadodara

- Site Area - 7960 Sqft. G+3 residential Bungalow including many amenities.
- Prepared and reviewed architectural drawings, layouts, and civil working drawings for effective site implementation.
- Conducted regular site inspections and progress monitoring, maintaining quality standards and construction safety.
- Supported project documentation, measurement verification, and coordination between design and execution teams.

Site 3 - Commercial Space | Location - Lunawada

- Site Area- 6790 Sqft
- Maintained project documentation, site reports, and measurement records.
- Monitored quality standards and ensured compliance.
- Managed procurement of construction materials by coordinating with suppliers and vendors.
- Participated in stakeholder meetings to discuss design updates, site progress, and project requirements.

Site 4 - Hospital | Location - Old Padra road, Vadodara

- Site Area- 6000 Sqft
- For this project, I was entrusted by the lead architect to independently manage site coordination and interior execution for six months.

- Here I have worked in designing the interior of the hospital and execution of it.
- Ensured compliance with design specifications, safety standards, and construction guidelines.
- Participated in client meetings and stakeholder coordination for design approvals and project updates.

Site 5 - Mixed Use development project | Location - Ellora Park, Vadodara

- Site Area- 8000 Sqft
- Assisted in design development and modification of drawings based on site requirements and client feedback.
- Verified material specifications, quality, and quantities before use at the site.

Apart from these sites there are 4-5 residential sites ranging from 3000 - 5000 sqft area, I worked on. From which I assisted in the handover of 2 sites.
