SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	9.02	2027
Graduation	SHREE SWAMI ATMANAND SARASWATI INSTITUTE OF TECHNOLOGY, SURAT	77.8	2021-Jun
Intermediate	GUJARAT SECONDARY AND HIGHER SECONDARY EDUCATION BOARD, SURAT	64	2017-Mar
High School	GUJARAT SECONDARY AND HIGHER SECONDARY EDUCATION BOARD, SURAT	71.5	2015-Mar

WORK EXPERIENCE (3 Years 7 Months)
Professional Engineering Services

11-Nov-2021 - 30-Apr-2023

1 Years, 5 Months, 19 Days
PROFILE: Junior Civil Engineer

- Assisted in execution and supervision of day-to-day civil construction activities.
- Checked drawings, line, level, alignment, shuttering, and reinforcement before concreting and coordinated during casting activities.
- Supervised site labor and subcontractors, ensuring work was executed as per drawings, specifications, and safety norms.
- Coordinated with site staff for material movement, housekeeping activities, barricading, and maintaining site safety.
- Maintained quality compliance of executed works and observed material usage to reduce wastage at site.
- Attended site meetings and followed up on assigned instructions with supervisors, foremen, and site staff.

AVADH GROUP

08-May-2023 - 30-Jun-2025

2 Years, 1 Months, 22 Days
PROFILE: Junior Civil Engineer

- Reviewed approved drawings, technical specifications, BOQ, and bar bending schedules (BBS) to understand project requirements and support effective site execution.
- Planned and supervised RCC works, including footing, column, beam, slab, masonry, plastering, and finishing activities, ensuring compliance with approved drawings and quality standards.
- Coordinated with contractors, subcontractors, consultants, and project stakeholders to resolve site issues, maintain work progress, and achieve project milestones.
- Monitored daily site progress, prepared Daily Progress Reports (DPRs), tracked manpower and material utilization, and ensured timely execution of construction activities.
- Verified executed quantities, performed quantity measurements, and assisted senior engineers in preparing contractor running bills and work certification.
- Conducted quality inspections by checking reinforcement, formwork, concreting, and dimensional accuracy, ensuring compliance with project specifications and QA/QC requirements.
- Monitored material procurement, storage, and consumption, maintaining site records and minimizing material wastage through effective inventory control.
- Identified construction challenges during execution, coordinated with the project team to implement corrective measures, and supported construction planning, resource allocation, and site documentation.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 9 Weeks)**NBCC (INDIA) LIMITED**

04-May-2026 - 10-Jul-2026

9 Weeks**PROFILE:** Project Intern

- Contributed to the execution of Leisure Valley Phase-II Residential Apartments, comprising 6 residential towers (2B+2S+G+39) with towers under foundation, basement, podium, and lower-floor RCC construction.
- Monitored raft foundation, basement retaining walls, columns, shear walls, slabs, reinforcement, formwork, and concreting activities, ensuring compliance with approved drawings, BBS, and technical specifications.
- Carried out quantity measurements, verified executed work, maintained daily progress records, and assisted in work planning, contractor coordination, and monitoring of manpower and equipment deployment.
- Reviewed structural drawings, BOQ, bar bending schedules (BBS), and inspection requests while supporting QA/QC inspections, material verification, and stage-wise execution checks.
- Gained practical exposure to construction sequencing, project scheduling, resource planning, quality control, site documentation, and execution management on a large-scale EPC high-rise residential project.

CERTIFICATION DETAIL

- Revit
- Auto CAD
