WORK EXPERIENCE (1 Year 8 Months)**K Group of Emperors**

01-Jun-2022 - 31-Jan-2024

1 Years, 7 Months, 30 Days**PROFILE:** Interior Designer**Location:** Pune

Work under the senior architect as an interior designer with the following roles and responsibilities:

1. Pitch to the client
2. Site survey
3. Planning and designing the project directly with clients
4. Creating Mood Boards
5. Creating design templates as per client requirements
6. Finalisation of designs and quotation
7. Support in material selection and costing. (Site supervision if required)

Dynamic interior designer with comprehensive project experience, including site surveys, client pitches, design, execution, and site supervision. completed **more than five exceptional projects** that demonstrated adaptability in a variety of residential settings, and those two projects are the best examples of what I learned about the client's point of view, quick and accurate design adjustments, and effective contemporary collaboration with skilled team members.

Site-1: Row House, Balewadi Transformed a compact space into a green sanctuary by designing a green balcony with modern furniture, converting the dry balcony into a lush garden, and creating a greenhouse feel with optimal ventilation and natural airflow.

Site-2: G+2 Bungalow, Chinchwad Executed a contemporary residential interior featuring a rooftop gym and a modern library, blending functionality with aesthetic appeal.

Additionally, I began working as a freelancer in 2024. During that time, I designed over five residential projects, including my first commercial project, which presented me with new problems and opportunities for exploration.

Site-3: "The Journey" Preschool, Baner I oversaw my first commercial interior project, creating kid-focused areas such as a kids' library, a soil pit, a sensation path, and interactive play areas with gardening and climbing areas showcasing a thorough comprehension of pre-school design specifications.
