INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 4 Weeks)

MAHARASHTRA METRO RAIL CORPORATION LTD.

13-Dec-2023 - 13-Jan-2024

4 Weeks

PROFILE: INTERN

Role Description:

Managed responsibilities under the guidance of site engineers and project managers, gaining practical exposure to metro rail infrastructure projects. The internship focused on understanding construction practices, safety standards, quality control, and coordination involved in large-scale urban transport projects.

Key Responsibilities:

- Assisted site engineers in monitoring ongoing civil works such as stations, viaducts, piers, and foundations.
- Helped in site measurements, quantity estimation, and basic documentation of daily progress reports.
- Learned and followed safety protocols and quality control procedures as per Maha Metro standards.
- Coordinated with contractors and supervisors to understand work sequencing and execution methods.
- Reviewed engineering drawings and gained exposure to design interpretation and site implementation.
