SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.48	2027
Graduation	S.R.K.R ENGINEERING COLLEGE , BHIMAVARAM	71	2023-Apr
Diploma	S.M.V.M POLYTECHNIC COLLEGE,TANUKU	89.29	2020-Apr
High School	BOARD OF SECONDARY EDUCATION, ANDHRAPRADESH	95	2017-Apr

WORK EXPERIENCE (1 Year 10 Months)**Megha Engineering And Infrastructure Limited**

18-Jul-2023 - 13-May-2025

1 Years, 9 Months, 25 Days**PROFILE:** Site Engineer

Procurement & Contracts Support: Prepared subcontractor and client bills, assisted in bid documentation, and ensured confidentiality of commercial data.

Supplier & Stakeholder Coordination: Collaborated with vendors, contractors, and project teams to ensure timely material supply and compliance with project requirements.

Commercial & Technical Evaluation: Supported estimation of work quantities, preparation of bar bending schedules, and verification of subcontractor claims.

Documentation & Reporting: Maintained procurement records, daily progress reports, and compliance documentation for audits.

Resource & Spend Analysis: Assisted in managing manpower, equipment, and materials to optimize productivity and reduce wastage.

Quality & Compliance: Monitored construction processes and supplier deliverables to ensure adherence to ISO 9001 standards and project specifications.

Pipeline Procurement & Testing: Oversaw inspection and hydrotesting of HDPE pipelines, coordinating restoration activities with suppliers and subcontractors.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 7 Weeks)**Bhajan Infratech Pvt limited**

04-May-2026 - 27-Jun-2026

7 Weeks**PROFILE:** Project Co-ordinator

- Assisted in the preparation of quantity estimations for Railway Over Bridge (ROB) projects.
- Contributed to the preparation of the Detailed Project Report (DPR), supporting documentation and technical inputs for project planning.
- Assisted in preparing the General Arrangement Drawing (GAD) for ROB structures.
- Assisted in preparing the Engineering Plan to Scale (EPS) for the project layout.
- Assisted in the land acquisition process, including documentation and coordination related to project land requirements.
- Participated in site visits to gain hands-on exposure to surveying techniques and railway engineering works.
- Gained practical understanding of railway infrastructure planning, design, and project execution processes.

MBA-ACM | MBA in Advanced Construction Management

- Observed and assisted in geotechnical investigations, including soil exploration activities.
- Supported laboratory testing procedures related to soil and material properties.
- Coordinated with site engineers and project staff to understand real-world application of civil and railway engineering concepts.

CERTIFICATION DETAIL

- Cost Estimating & Cost Control
- Advanced Communication Strategies
- Finance for Non-Financial Managers
