PROFILE: Business Development Intern

As a Business Development Intern at ECAS Group, I was responsible for conducting market research to identify potential business opportunities and prospective clients. My key responsibilities included lead generation, maintaining and updating client database, supporting client outreach through professional communication channels, and assisting in the preparation of business proposal and presentations. I collaborated with business development team to facilitate client engagement, co-ordinate meeting, and contribute to business growth initiatives. This internship enhanced my skills in market research, business communication, lead generation, and professional collaboration.
