SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.49	2027
Graduation	NEW HORIZON COLLEGE OF ENGINEERING , BENGALURU	80.6	2025-May
Diploma	JSS POLYTECHNIC / BGS POLYTECHNIC , KARNATAKA	78.43	2022-Apr
High School	KARNATAKA SECONDARY EDUCATION EXAMINATION BOARD	78.4	2019-Apr

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 15 Weeks)**Cendrol Conctruction Contracts Pvt Ltd**

20-Jan-2025 - 08-Mar-2025

6 Weeks**PROFILE:** Construction Project Engineer Intern

- Supported the planning and engineering phase of a construction project, contributing to drawings analysis and specification development.
- Conducted on-site inspections and assessments to steward quality and schedule adherence against the defined work scope.
- Coordinated with vendors to ensure timely material procurement and compliance with project specifications and cost expectations.
- Supervised on-site labor activities to maintain execution progress in line with the project schedule and quality standards.
- Collaborated with cross-functional teams to keep execution aligned with project objectives, supporting a smooth transition from design to on-site execution.
- Applied strong problem-solving and attention to detail to flag and resolve issues affecting project quality and progress.

Rodic Consultants Pvt Ltd

11-May-2026 - 11-Jul-2026

8 Weeks**PROFILE:** Business Development

- Conducted research and competitor benchmarking on upcoming infrastructure and tunnel projects, supporting project development-phase planning and proposal targeting.
- Assisted in preparing RFP responses and client proposals, ensuring alignment with client requirements, project scope, and organizational execution capability.
- Tracked industry trends and regulatory updates on infrastructure projects to inform early-stage planning and strategic decision-making.
- Compiled and structured research and bid-tracking data in MS Excel to support scope, schedule, and documentation control across multiple proposals.
- Assisted in tracking bid pipelines, deadlines, and documentation requirements across proposal stages, gaining exposure to coordinating deliverables from development through execution readiness.
- Collaborated with cross-functional and technical teams to translate engineering requirements into structured, competitive proposals — direct exposure to how technical scope shapes business strategy.

CERTIFICATION DETAIL

- Ethics in Engineering Practice
- Finance for Non-Financial Managers
- Google Project Management
