

ROLL NUMBER: P25700403**Pushpendra Malviya**

Male

DOB

27-Dec-2002

TECHNICAL SKILLS

- AutoCAD
- MS Office
- MS Project
- Primavera
- QGIS
- Sketchup
- Autodesk Flow
- ArcGIS
- Google Earth
- Data Analysis
- Revit
- Navisworks
- CostX

PERMANENT ADDRESS

JR.MIG, 6/1, ANKUR COMPLEX
PHASE-3, NEAR PARUL
HOSPITAL, SHIVAJI NAGAR
City: Bhopal
State: Madhya Pradesh
Pincode: 462016

LANGUAGE

- Hindi and English

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.59	2027
Graduation	MANIT BHOPAL, MADHYA PRADESH	82.36	2025-Jun
Intermediate	CBSE, BHOPAL, MADHYA PRADESH	91.2	2021-Jul
High School	CBSE, BHOPAL, MADHYA PRADESH	82.4	2019-May

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 15 Weeks)**Town and Country Planning, Madhya Pradesh**

14-May-2024 - 28-Jun-2024

6 Weeks**PROFILE:** Data Analyst

- Evaluated state planning acts, development regulations, and IS codes to understand statutory approvals, compliance frameworks, and their impact on project execution.
- Analyzed projects undertaken by BDA, UDA, and IDA to study land development processes, asset management systems, and public sector project governance.
- Conducted comparative assessment of master plans (Bhopal, Vidisha, Harda) focusing on road networks, land use distribution, and long-term infrastructure planning.
- Deployed GIS, Excel, and spatial data tools to perform technical analysis and support data-driven planning and strategic decision-making.

Dilip Buildcon Ltd.

09-May-2026 - 09-Jul-2026

8 Weeks**PROFILE:** Contracts Intern

- **Contract Administration & Risk Management:** Reviewed EPC and HAM contracts to draft detailed Contract Appreciation Documents (CAD) and identify commercial risks across metro, highway, and railway projects.
- **Delay Analysis & Scheduling:** Utilized Primavera P6 to perform baseline vs. revised programme comparisons, pinpointing specific delay events to support Extension of Time (EOT) documentation.
- **Dispute Resolution Support:** Analyzed Statements of Claim (SOC) and Statements of Defence (SOD) to assist in the preparation of construction claims and arbitration proceedings.
- **Project Controls & Monitoring:** Tracked physical and financial progress through regular quantity verification, cost estimation, and project monitoring updates.

PUBLICATIONS DETAIL

THESIS:- Urban Freight Transport: Planning Intervention for Enhancing Efficiency of Indore City

<https://www.researchgate.net/publication/392508595>

CERTIFICATION DETAIL

- Six Sigma Green Belt
- Project Management in Construction
- Highway Planning, Pavement Design and Construction
- Data Analysis
- Project Management Principles and Practices Specialization
- Infrastructure for Transportation Systems
- Construction Equipment Maintenance & Safety
- Sustainable Design Practices in Building Design
- Mechanization in Construction Specialization

- Construction Project Management
- Construction Management Fundamentals
- Finance for Non-Financial Managers

ACHIEVEMENT DETAIL

- Earned nomination for the Best Thesis Award 2025 at MANIT Bhopal
- Gate 2024 Qualified
