INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 11 Weeks)
EN CON PROJECT CONSULTANTS FOR ARCHITECTURAL & STRUCTURAL WORKS

19-Jun-2023 - 08-Jul-2023

2 Weeks
PROFILE: TRAINEE ENGINEER

During my internship, I worked on the Nirmala Mata School Institutional Building project, where I was involved in quantity estimation and understanding structural and architectural drawings. I visited the construction site to observe practical execution, material usage, and supervision work. This experience helped me gain hands-on knowledge of estimation, documentation, and coordination with engineers.

Gleeds Consultancy

11-May-2026 - 11-Jul-2026

8 Weeks
PROFILE: Intern Cost Management

As a **Summer Intern at Gleeds Consultancy**, I was part of the Cost Management team, where I contributed to live construction projects and gained practical exposure to professional cost management practices. I was entrusted with responsibilities that supported project delivery while working within defined timelines. My key roles and responsibilities included:

- Performed quantity take-offs and cost estimation using **CostX** for live construction projects, ensuring accuracy in quantity measurement and cost calculations.
- Assisted in the preparation of **Bills of Quantities (BOQs)** by compiling and organizing project quantities in accordance with project requirements.
- Supported cost planning, budgeting, and cost control activities by contributing to cost-related documentation and analysis.
- Worked on live projects with defined deadlines, completing assigned tasks on time while maintaining a high standard of quality and accuracy.
- Reviewed architectural and engineering drawings to extract quantities and support the estimation process.
- Collaborated with project teams to ensure smooth coordination and timely completion of assigned deliverables.
- Maintained detailed and accurate project documentation while adhering to professional standards and best practices.
- Strengthened analytical, problem-solving, and time management skills by working in a fast-paced professional environment.
