SINGHANIA BUILDCON GROUP

04-May-2026 - 04-Jul-2026

8 Weeks

PROFILE: Site Execution & Control Intern

- Assisted site engineers in supervising day-to-day construction activities as per approved drawings and project specifications.
- Maintained daily progress records and prepared **Daily Progress Reports (DPR)** to track work completed on site.
- Participated in inspections of reinforcement, concrete, shuttering, and finishing works to ensure quality requirements were met.
- Monitored safety practices on site and reported unsafe conditions to the site team for corrective action.
- Carried out quantity measurements for executed work and supported the preparation and verification of **contractor billing**.
- Coordinated with contractors, supervisors, and other site personnel to ensure smooth execution of construction activities.
- Assisted in maintaining **site documentation**, including inspection records, checklists, and material-related documents.
