INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 15 Weeks)**PUBLIC WORKS DEPARTMENT**

15-Jan-2025 - 30-Apr-2025

15 Weeks**PROFILE: INTERN**

I began working as an intern for the Public Works Department (PWD) on the Government Veterinary Hospital, Nagpur, after the footing stage, when the ground floor slab was supposed to be built. In order to ensure that drawings, specifications, and safety regulations were followed, I helped supervise slab work, which included placing reinforcement, inspecting shutters, and pouring concrete. To keep track of work progress and address issues on the job site, I collaborated with contractors and site engineers. As my internship came to a close, I helped oversee the execution of the brickwork, making sure that the line, level, and bonding were all maintained for quality. Along with helping to ensure a timely and seamless project execution, I also kept daily site progress logs.
