WORK EXPERIENCE (1 Year 0 Months)**Karunya Constructions**

21-May-2024 - 31-May-2025

1 Years, 0 Months, 10 Days**PROFILE:** Junior Engineer

Under SPCL, KITEX Garments - Textile Park

- Conducted levelling using Auto Level to ensure accurate site measurements and execution.
- Assisted in quantity estimation for construction activities.
- Actively engaged in site supervision, monitoring work progress, and coordinating with senior engineers to maintain project timelines and quality standards.
- Managed on-site labour workforce, including attendance tracking, task allocation, productivity monitoring, and payment documentation as per contractual agreements.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 32 Weeks)**OFFICE OF EXECUTIVE ENGINEER (R&B) NH DIVISION**

19-Jun-2020 - 03-Dec-2020

23 Weeks**PROFILE:** INTERNSHIP

- During my six-months industrial training with the National Highway Roads and Buildings Department on NH163, I gained hands-on experience in road construction and concrete work.
- I acquired practical skills in concrete preparation and application, engaged in fieldwork under expert guidance, collaborated with senior engineers, and used MS Excel for precise documentation and analysis of material data.

Kattu Construction Technology Services LLP

04-May-2026 - 04-Jul-2026

8 Weeks**PROFILE:** Project Management Intern

- Assisted in planning, scheduling, and monitoring construction activities for hospital projects to ensure timely project execution.
- Prepared and updated project schedules using Microsoft Project (MSP) and tracked progress against baseline schedules.
- Coordinated with civil, architectural, MEP, and finishing teams to streamline project execution and resolve site coordination issues.
- Monitored daily site progress and prepared weekly progress reports (WPR), project status updates, and meeting minutes (MoM).
- Participated in project review meetings and collaborated with consultants, contractors, and stakeholders to ensure smooth project coordination.
- Assisted in monitoring project milestones and supported the timely completion of construction activities.
