INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 24 Weeks)

Cube Engineers

23-Dec-2024 - 31-Mar-2025

14 Weeks

PROFILE: Technical Feild Engineer

Worked as a Technical Field Engineer intern in the valuation team from Dec 2024 to Mar 2025 in Chennai. Assisted in site inspections, data collection, and property assessment. Gained practical experience in building measurements, documentation, and understanding valuation methods for residential and commercial properties under guidance of senior valuers.

SURA Builders

19-Jun-2023 - 01-Jul-2023

1 Weeks

PROFILE: Junior Engineer

Completed a two-week internship as a Junior Engineer on a multi-storey hospital construction project. Actively supervised foundation marking, excavation, and footing works. Gained practical exposure to formwork erection and curing processes. Worked closely with site engineers to understand on-site coordination, execution planning, and quality control practices.

Sobha Limited

11-May-2026 - 13-Jul-2026

9 Weeks

PROFILE: Site Execution

Completed an eight-week internship on a high-rise residential construction project, gaining practical exposure to Mivan formwork, reinforcement, concreting, and QA/QC inspection procedures. Assisted in quantity take-off (QTO), progress monitoring, and slab cycle tracking while developing an understanding of construction sequencing and project execution methodologies. Collaborated with structural, planning, QA/QC, and finishing teams to gain exposure to resource coordination, quality management, safety compliance, and project planning practices in a live construction environment.
