SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.18	2027
Graduation	RAJARAMBAPU INSTITUTE OF TECHNOLOGY, RAJARAMNAGAR, WALWA, MAHARASHTRA	69.7	2025-Jun
Intermediate	MAHARASHTRA STATE BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION, PUNE	88.83	2021-Aug
High School	CENTRAL BOARD OF SECONDARY EDUCATION, NEW DELHI	78.8	2019-May

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 23 Weeks)
Tejraj Group

06-Jan-2025 - 31-May-2025

20 Weeks
PROFILE: Intern - Engineering

- Worked on the **37-storey residential township project** consisting of multiple towers and ~400 residential units, gaining exposure to **high-rise project execution and coordination**.
- Supported **project planning and execution monitoring** for a high-rise residential tower by **tracking site progress** and **coordinating with site engineers and contractors** during construction activities.
- Assisted in construction planning and **resource estimation** for **slab casting operations** by analysing **labour, equipment, and material requirements** for concrete works.
- Prepared **Bar Bending Schedules (BBS)** using Excel for **footing, columns, beams, and slabs** to support steel quantity estimation, procurement planning, and cost control.
- Conducted **reinforcement inspections** and **steel checking** before concrete casting to ensure compliance with structural drawings, spacing, lap length, and cover requirements.
- Assisted in planning and **supervision of RCC works including slab, beam, and column casting** using RMC and boom pump placement methods.
- Participated in **weekly project progress meetings** to review completed work, discuss delays, plan upcoming activities, and coordinate labour and material requirements.
- Prepared **Joint Measurement Records (JMR)** for executed works to validate quantities and support contractor billing and project documentation.
- Monitored site execution of finishing works including **blockwork, gypsum plastering, flooring, and waterproofing** to ensure adherence to quality standards and construction specifications.
- Implemented **quality control checklists** for finishing activities to track completion status, reduce rework, and ensure compliance with project specifications.
- Assisted in site material management and inventory tracking through preparation of **GRN and GIN records** to support procurement planning and material control.
- Contributed to quality assurance testing and **mock-ups** for bonding agents and tile adhesives to verify material performance before full-scale application.
- Gained exposure to **modern high-rise construction technologies** such as **Aluminium (Mivan) formwork** systems, improving construction cycle time and productivity.

Ascon Projects

05-Aug-2023 - 21-Aug-2023

2 Weeks
PROFILE: Trainee Engineer

- Assisted site engineers in **monitoring finishing stage construction activities** including **tiling, plastering, door and window installation, electrical wiring, and firefighting system works**.
- Observed and documented construction sequencing and coordination between civil, electrical, and fire-fighting teams.

- Supported **site inspections and quality checks** for plastering and tiling works to ensure adherence to project specifications.
- Gained exposure to **building services installation** such as electrical wiring and firefighting equipment layout.
- Reviewed **shop drawings** and on-site execution practices for **doors, windows, and interior furniture installation**.
- Developed understanding of site safety practices, material usage, and finishing work supervision in multi-storey construction.

CERTIFICATION DETAIL

- Construction Equipment Maintenance and Safety
- Finance for Non-Financial Managers
- Ethics in Engineering Practice
