WORK EXPERIENCE (1 Year 10 Months)**Senghani creators pvt ltd**

03-Aug-2023 - 30-Nov-2024

1 Years, 3 Months, 27 Days**PROFILE:** Trainee engineer

At **Senghani Creators**, I worked as a **Trainee Engineer** on the construction of **Runwal Garden City**, Cluster 5, Tower 10 (G+27 Residential Tower). I assisted in the structural execution of the 27-storey tower, ensuring all works were carried out in line with drawings and specifications. My role involved applying technical knowledge in RCC activities such as concreting, shuttering, and reinforcement, with a strong focus on maintaining quality standards. I also coordinated with consultants and contractors to resolve site challenges and supported planning, reporting, and material tracking activities to keep the project aligned with deadlines.

Runwal group

03-Dec-2024 - 27-Jun-2025

0 Years, 6 Months, 24 Days**PROFILE:** junior engineer

At **Runwal Group**, I contributed as a **Junior Engineer** on **R Galleria & Edge 2** (Commercial Project). I was responsible for executing foundation works including excavation, PCC, and raft concreting as per structural designs. I ensured compliance with design specifications and quality standards during site execution while coordinating with consultants to resolve technical issues and improve construction methodology. Additionally, I prepared progress reports, QA/QC documentation, and maintained material usage records to support effective project monitoring.

CERTIFICATION DETAIL

- Managing team conflict
- Managing your emotional response to workplace stress
- Communication foundations
- Develop interpersonal skills for inclusive workplaces
- Construction cost estimating and cost control
- Renewable energy and green building entrepreneurship
