INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 19 Weeks)

Sponge Collaborative, Samanea Consultancy Private Limited

22-Jan-2024 - 05-Jun-2024

19 Weeks

Profile: Intern Architect

- Supported **project execution and site coordination** for the Dr. M.S. Swaminathan Wetland Eco Park, ensuring alignment between design intent and on-site construction activities.
- **Coordinated** with structural engineers, consultants, and site teams to maintain smooth **construction sequencing and timely issue resolution**.
- Assisted in **progress tracking and workflow coordination**, helping identify execution challenges and supporting **planning discussions** during **review meetings**.
- Acted as a **liaison** between design consultants and site personnel to **streamline communication** and **minimize execution discrepancies**.
- Coordinated **vendor and material procurement** activities, including supplier follow-ups to ensure uninterrupted site progress.
- Participated in **site inspections** and **project review meetings** to monitor construction status, constraints, and coordination requirements.
- Supported **statutory approval processes and documentation**, coordinating with CMDA and Tahsildar offices for **project compliance**.
- Attended **planning and coordination workshops**, gaining exposure to **execution strategies** and implementation frameworks used in large-scale **Blue-Green infrastructure projects**.
