SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.83	2027
Graduation	MANIPAL INSTITUTE OF TECHNOLOGY, MANIPAL UDUPI, KARNATAKA	73	2022-Jul
Intermediate	KOTA, RAJASTHAN	66	2018-May
High School	DHANBAD , JHARKHAND	95	2016-May

WORK EXPERIENCE (1 Year 1 Month)**Dalmia Bharat Limited**

14-May-2024 - 14-Jun-2025

1 Years, 1 Months, 0 Days**PROFILE:** Senior Executive Engineer Civil

Senior Executive Engineer “ Civil

Dalmia Cement (Bharat) Limited

Executed key civil infrastructure works for the 2.7 MTPA Greenfield Grinding Unit Project at Lanka, Assam.

Led construction and quality supervision of industrial plant roads, designed to withstand heavy-load operational traffic.

Managed civil execution of the 132 kV Electrical Switchyard, including equipment foundations, cable trenches, control structures, and associated infrastructure in coordination with electrical and EPC teams.

Contributed to the development of the wagon loading platform for bulk material dispatch operations.

Ensured compliance with project timelines, safety standards, and quality control procedures.

Coordinated with cross-functional teams (mechanical, electrical, planning, procurement) to drive milestone-based execution and resolve on-site challenges.

Project Lead “ Residential Township Development (Umrangso, Assam)

Entrusted with end-to-end civil execution of a residential township comprising 13 residential towers and a guest house in a remote, logistically challenging location.

Supervised structural works, finishing works, and site infrastructure development.

Led contractor management, site coordination, and real-time problem-solving to ensure timely project delivery.

Maintained high standards of construction quality, safety compliance, and resource optimization.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 20 Weeks)**NHAI (Chaitanya Projects)**

01-Feb-2022 - 23-May-2022

15 Weeks**PROFILE:** Intern

Civil Engineering Intern

Delhiâ€Mumbai Expressway Project (8-Lane Access-Controlled Highway)

Completed a 4-month final year internship on the construction of the 8-lane access-controlled Delhiâ€Mumbai Expressway, gaining hands-on exposure to large-scale highway infrastructure execution.

Acquired practical understanding of bituminous flexible pavement construction, including subgrade preparation, GSB/WMM layers, DBM, and wearing course operations.

Observed and supported site activities related to pavement laying, compaction, and surface finishing in accordance with project specifications.

Conducted a performance-based mix design of Stone Mastic Asphalt (SMA) as part of the internship project report, analyzing aggregate gradation, binder content optimization, volumetric properties, and performance parameters.

Gained exposure to material testing procedures, quality control standards, and highway construction safety protocols.

NAGARJUNA CONSTRUCTION COMPANY LTD (NCC LTD)

17-Jul-2021 - 16-Aug-2021

4 Weeks**PROFILE: INTERN**

Gained practical exposure to in-situ pile foundation construction in metro infrastructure projects, observing end-to-end site execution processes.

Developed understanding of pile boring operations, reinforcement cage placement, concreting procedures (tremie method), and equipment utilization.

Monitored on-site activities related to quality control, alignment checks, depth verification, and safety compliance during foundation works.

CERTIFICATION DETAIL

- Finance for Non Financial Managers by Coursera
- NPTEL Ethics in Engineering by IIT Kharagpur
