As an Intern at Guru Developers And Associates, I have Handled Residential and Commercial Building Located in Pune. As an Intern I have Work With All Departments , Gaining Practical Knowledge , Maintain Site Diaries and Recording manpower , machinery, materials etc. Learn about construction methods, safety norms etc. As a Trainee Engineer I supervise the construction process and ensure compliance with the design.

Goel Ganga Group

11-May-2026 - 11-Jul-2026

8 Weeks**PROFILE:** Site Execution & Project control Intern

- Assisted in the execution of a G+36 residential project (3 wings) at Ganga Asmi, Wakad, Pune, with an approximate 10,500 sq. ft. slab area per floor, ensuring work was carried out according to approved drawings and construction specifications.
- Worked closely with the site engineering team during Mivan aluminium formwork, reinforcement, RCC concreting, and slab casting activities while observing quality checks and construction sequencing.
- Supported daily site coordination by tracking work progress, checking material requirements, maintaining daily progress records, and collaborating with contractors, consultants, and MEP teams to resolve execution issues.
- Gained practical exposure to construction activities in an ISO-certified organization, following quality management procedures, EHS practices, and documentation standards while contributing to the successful execution of a high-rise residential project.
