SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.46	2027
Graduation	GOA COLLEGE OF ENGINEERING ,GOA	79	2024-Sep
Intermediate	GOA BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION ,GOA	67.17	2020-Jun
High School	GOA BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION ,GOA	82.66	2018-Jun

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 16 Weeks)**Raj Housing Development Private Limited**

31-Jul-2023 - 23-Sep-2023

7 Weeks**PROFILE:** Site Engineer

Site Execution & Coordination: Executed RCC works including shuttering, reinforcement fixing, and concreting as per approved drawings and specifications, coordinating with site teams.

Reinforcement Inspection: Inspected reinforcement works prior to concreting, ensuring compliance with structural drawings, bar detailing, cover, and quality standards.

Quality Control & Safety: Conducted routine quality checks and ensured adherence to site safety norms and PPE usage.

Measurement & Estimation : Assisted in site measurements, quantity take-offs, estimation, and billing preparation.

Project Monitoring & Reporting: Tracked daily site progress and supported preparation of DPRs and execution records.

Sobha Limited

11-May-2026 - 13-Jul-2026

9 Weeks**PROFILE:** Execution

Project Execution: Assisted in the execution of a 26-acre high-rise residential project (19 Towers, G+18) using Mivan Formwork construction technology.

Site Supervision: Monitored reinforcement, formwork, concreting, slab casting, waterproofing, plastering, and finishing works to ensure timely execution.

Quality Control (QA/QC): Performed reinforcement inspections, wall alignment, slab level, dimensional, and finishing quality checks as per project standards.

Planning & Monitoring: Tracked daily site progress, analysed the 13-day slab cycle, and supported activity scheduling and productivity monitoring.

Quantity Estimation: Prepared quantity take-offs for false ceiling and plastering works using drawings and on-site measurements.

Safety (EHS): Ensured compliance with PPE, housekeeping, permit-to-work, and safety protocols during construction activities.

Site Coordination: Coordinated with Execution, QA/QC, Planning, Safety teams, and subcontractors for smooth project execution.
