INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 17 Weeks)

Sakshi Enterprises

04-Mar-2024 - 03-May-2024

8 Weeks

PROFILE: Intern

- 1) Conducted daily site progress inspections, monitored work activities, and ensured labour compliance with safety gear and attendance, helping maintain on-site discipline and reduce operational risks.
- 2) Reviewed AutoCAD drawings and cross-checked structural details, building familiarity with documentation accuracy and quality checks similar to technical due diligence tasks.
- 3) Gained hands-on experience in preparing Bar Bending Schedules (BBS), and calculating concrete and formwork quantities, strengthening my understanding of project data validation and cost-impacting elements.
- 4) Supported site operations by coordinating with supervisors and workers, ensuring smooth workflow, adherence to timelines, and timely reporting—skills that translate well into stakeholder coordination and progress monitoring.

Rodic Consultants Pvt Ltd

11-May-2026 - 10-Jul-2026

8 Weeks

PROFILE: Business Development

- Prepared two comprehensive technical research reports on **Bridges** and **Urban Elevated Roads**, covering engineering concepts, industry trends, and market analysis.
- Conducted detailed market research to identify emerging opportunities and infrastructure development trends across India.
- Analyzed major ongoing and upcoming bridge and elevated road projects to understand their technical scope and business potential.
- Assessed infrastructure investment patterns, government initiatives, and regional growth prospects to support strategic decision-making.
- Developed business development insights by evaluating bidding opportunities, consultancy prospects, and future market potential within the infrastructure sector.
- Enhanced technical documentation and analytical reporting skills through structured research and data-driven evaluation.

CERTIFICATION DETAIL

- ICCRIP Conference Certificate (Hospitality Management)
- Finance for Non- Financial Managers
