WORK EXPERIENCE (1 Year 0 Months)**Orbisoul Properties**

01-Jun-2024 - 30-Jun-2025

1 Years, 0 Months, 29 Days**PROFILE:** Jr. Site Engineer

As a site engineer at Orbisoul Silverbell, a premium G+12 Residential Project owned and constructed by Orbisoul Properties, it was a great learning experience.

In these 13 months, I got hands-on experience with

- **Supervised on-site construction** for a G+12 residential tower, ensuring all structural work and finishing adhered strictly to the company's quality standards
- **Monitored RCC works**, including formwork, reinforcement, and concreting, while conducting regular tests and sampling to maintain structural integrity
- **Coordinated with various stakeholders** to interpret technical drawings and resolve design-to-field discrepancies, reducing rework and material waste
- **Managed daily labor force and subcontractors**, optimizing task allocation to maintain a rigorous project timeline
- **Enforced Health, Safety, and Environment protocols** by conducting regular safety drills and site inspections.
- **Managed inventory and procurement**, tracking material consumption to prevent stockouts and budget overruns

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 21 Weeks)**MAJESTIQUE LANDMARKS**

15-Jul-2023 - 15-Dec-2023

21 Weeks**PROFILE:** JR. SITE ENGINEER

Working as a Jr. site engineer at Majestique Rhythm County, a 21-acre semi-luxurious township Project located in Handewadi, constructed by "Majestique Landmarks", consisting of 25 towers of G+14 with 2500+ Residential units, provided a great experience. There, I explored various roles in execution, survey, safety, Planning, Scheduling, and Estimation. It was an overall experience of applying my skills and knowledge, and understanding how work is done at a professional level at the site.

Key Working Areas: Worked under various roles, including Quality Engineer, Quantity Surveyor, Safety Engineer, and Site Engineer.
