PROFILE: Intern

I was involved in various stages of architectural design and execution, including bungalow design, landscape and interior designing, conceptual presentations, and preparation of electrical layouts, working drawings, municipal drawings, and measurement drawings. I contributed to creating 3D models and visual presentations, assisted senior architects in design development, and participated in site visits to understand ongoing projects. I ensured timely completion of assigned tasks with accuracy and responsibility while continuously learning new skills, improving software proficiency, and gaining practical exposure to professional project workflows.
