SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.83	2027
Graduation	SRI SIVASUBRAMANIYA NADAR COLLEGE OF ENGINEERING, TAMIL NADU	86.03	2025-May
Intermediate	STATE BOARD OF SCHOOL EXAMINATIONS, TAMILNADU	95.34	2021-Jul
High School	STATE BOARD OF SCHOOL EXAMINATIONS, TAMILNADU	93.8	2019-Apr

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 12 Weeks)

LARSEN &TOUBRO LIMITED

01-Jul-2024 - 31-Jul-2024

4 Weeks

PROFILE: Trainee

- Learned design documentation practices from senior engineers, including reviewing structural drawings and calculation sheets before site execution.
- Gained hands-on experience in cross-checking STAAD Pro analysis results with manual calculations under senior guidance to ensure design safety.
- Developed a clear understanding of girder concepts and installation practices by working with senior site engineers during construction.
- Observing large-scale construction processes strengthened my interest in construction project management, linking design accuracy with execution control.

DLF HOME DEVELOPERS LIMITED

04-May-2026 - 30-Jun-2026

8 Weeks

PROFILE: Trainee

- **Developed and monitored floor-wise construction schedules** for DT4 and DT5 commercial towers using **Microsoft Project**, coordinating blockwork, plastering, façade, BOH works, and finishing activities based on execution dependencies and productivity.
- **Prepared project cash flow forecasts and progress monitoring reports**, analyzing planned vs. actual performance, billing trends, productivity metrics, and schedule variances to support project planning and decision-making.
- **Performed quantity take-offs and construction planning** for excavation, WTP, staircase, deck slab, and fire readiness activities by estimating durations using work quantities, productivity norms, labor deployment, and resource availability.
- **Coordinated project planning and execution tracking** by reviewing Daily, Weekly, and Monthly Progress Reports (DPR/WPR/MPR), monitoring construction sequencing, identifying delays, and recommending recovery actions to improve schedule performance.

ACHIEVEMENT DETAIL

I served as Event head at INVENTE-2024 , Techfest of Sri siva subramaniya Nadar College of Engineering.

I Served as Event Coordinator for SPICE 2024, successfully supporting execution of an international conference where i can Demonstrate my strong leadership, communication, and coordination skills while handling multiple professionals and tight timelines.
