SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.62	2027
Graduation	RAJALAKSHMI ENGINEERING COLLEGE, TAMILNADU	83.5	2022-Jun
Intermediate	STATE BOARD OF SCHOOL EXAMINATIONS, TAMIL NADU	74	2018-May
High School	CENTRAL BOARD OF SECONDARY EDUCATION, TAMILNADU	85.5	2016-May

WORK EXPERIENCE (2 Years 8 Months)**Larsen & Toubro Limited**

10-Oct-2022 - 29-Jun-2025

2 Years, 8 Months, 19 Days**PROFILE:** Site Planning Engineer**LOCATION:** Chennai

PROFILE SUMMARY: Infrastructure Planning Engineer with 32 months of experience in a ₹1590 Cr Metro Rail Project, specializing in Project Scheduling, Risk Analysis, Project Documentation, and Infrastructure Project Lifecycle.

ROLES & RESPONSIBILITIES:

- Supported **Project Planning, Scheduling, and Monitoring** activities by assisting in preparation and tracking of baseline schedules, milestones, and project timelines using MS Project.
- Assisted in preparation and maintenance of **Project Documentation**, including Work Breakdown Structure (WBS), progress reports, and project tracking logs, ensuring alignment with project governance frameworks.
- Conducted **Data Validation, Quantity Take-offs**, and **BOQ verification** to support cost analysis, billing accuracy, and financial monitoring of infrastructure works.
- Performed **Schedule Variance Analysis** and **Critical Path** identification to highlight project risks, delays, and potential execution challenges, supporting timely mitigation strategies.
- Developed and maintained Excel-based analytical dashboards to track **project progress**, resource utilization, productivity trends, and **performance metrics**.
- Collaborated with **cross-functional stakeholders** (client, consultants, subcontractors) to support project coordination, communication, and execution efficiency.
- Assisted in identifying **operational risks, project bottlenecks, and performance gaps**, contributing to problem-solving discussions and continuous improvement initiatives.
- Supported preparation of client-ready reports, presentations, and structured deliverables, ensuring accuracy, clarity, and **professional documentation standards**.
- Gained exposure to **Infrastructure Project Lifecycle phases** including planning, execution, monitoring, and project control, strengthening understanding of capital project delivery frameworks.
- Contributed to improving project performance tracking systems by **organizing structured reporting formats** and supporting **data-driven decision-making** processes.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 11 Weeks)**WATER RESOURCES DEPARTMENT, GOVERNMENT OF TAMILNADU**

18-Nov-2019 - 22-Nov-2019

0 Weeks**PROFILE:** TRAINEE ENGINEER

- Performed **water quality testing** (pH, turbidity, TDS) to evaluate compliance with environmental and safety standards.
- Assisted in water sample collection, preservation, and laboratory documentation, ensuring accurate **test reporting**.
- Gained exposure to irrigation systems, drainage infrastructure, and hydraulic **asset maintenance** practices.
- Developed understanding of technical documentation, infrastructure inspection, and **public sector project workflows**.

INTEGRAL COACH FACTORY, CHENNAI

12-Oct-2021 - 19-Oct-2021

1 Weeks
PROFILE: JUNIOR SITE ENGINEER

- Gained exposure to railway **infrastructure maintenance**, track components, and industrial civil engineering practices in a large-scale manufacturing environment.
- Observed site supervision activities, ensuring adherence to **engineering standards**, safety protocols, and **quality control** procedures.
- Developed understanding of infrastructure maintenance processes, inspection techniques, and **preventive maintenance strategies**.
- Learned the importance of **multidisciplinary coordination** between civil, mechanical, and electrical teams for efficient infrastructure operations.

KPMG Global Services Private Limited

04-May-2026 - 10-Jul-2026

9 Weeks
PROFILE: Business Consulting - Capital Projects

- Support the delivery of high-quality work products in line with defined plans, timelines, and quality standards, under guidance from the project team
- Assist senior team members on client engagements by conducting research, preparing analyses, and supporting day-today project activities
- Help identify potential client challenges or risks within an engagement and contribute initial ideas or observations for discussion with the team
- Assist in developing project documentation (such as workplans, RAID logs, change logs, stakeholder maps) under guidance
- Track and compile information on industry trends, competitor activity, and product/service developments to support team insights and discussions
- Contribute to slide decks and client-ready deliverables by structuring content, improving narrative, and ensuring formatting/branding consistency
- Conduct data validation and basic analysis to support findings, ensuring accuracy, completeness, and version control

CERTIFICATION DETAIL

- NPTEL - Introduction to Civil Engineering profession
- Indian Construction Project Management Fundamentals - Udemy
- Essentials of Project Planning and Control (EPPC) 2.0' - L&T programme
- BCG - Introduction to Strategy Consulting Job Simulation
- NPTEL - Ethics in Engineering Practice

ACHIEVEMENT DETAIL

- Won **Quality Month Quiz** award for two consecutive years at L&T, demonstrating strong understanding of quality standards, construction practices, and project compliance systems.
- Participated in the multi-disciplinary core team selection process for **NICMAR Music Club (NMC)**, demonstrating initiative, teamwork, and cross-functional collaboration.
- Served as the **Cultural head (POC)**, leading planning and execution of cultural performances during Pongal Festival 2026.

- Appointed as **Class Representative** for multiple academic years (Grades 5, 6, 9, and 10), demonstrating leadership, responsibility, and effective communication skills.
