INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 23 Weeks)

Genesis Architecture

02-Jan-2025 - 20-Apr-2025

15 Weeks

PROFILE: Intern as Junior Architect

Intern as Junior Architect

Genesis Architecture, BTM Layout, Bengaluru

During my internship, I was actively involved in various stages of architectural design and execution. My key responsibilities included preparing 2D AutoCAD drawings for architectural and planning purposes, contributing to landscape planning and designing, and assisting in the development of interior 3D visualizations as well as building 3D models. This role allowed me to gain practical exposure to both technical drafting and creative design processes, while also enhancing my understanding of spatial planning, design detailing, and visualization technique

Purvankara Limited

06-May-2026 - 03-Jul-2026

8 Weeks

PROFILE: Construction Management Intern – Project Execution & Cross-Functional Operations

- Developed a comprehensive understanding of the construction lifecycle through live exposure to foundation engineering, structural execution, quality control, finishing operations, and project monitoring.
- Gained cross-functional insights into Project Execution, Planning, QA/QC, fostering an appreciation of integrated construction management.
- Enhanced technical and managerial knowledge by observing industry best practices in construction methodologies, quality systems, safety protocols, documentation, progress monitoring, and multidisciplinary coordination.
