INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 8 Weeks)**Sribal Construction Company**

12-May-2026 - 12-Jul-2026

8 Weeks**PROFILE:** Contracts and Procurement Engineer

- Supported the entire supply chain and procurement operations for two industrial construction projects, coordinating material sourcing, vendor evaluation, and delivery schedules, which were located at different locations.
- Assisted in vendor negotiations and purchase order processing, contributing to an overall cost savings of 19% on the construction materials.
- Prepared and floated RFQs, and assisted in comparative cost analysis for vendor shortlisting.
- Utilised **SAP** to create and manage purchase orders, track procurement activities, monitor material movements, maintain vendor records, and support inventory and procurement documentation.

- Tracked Bill of Quantities (BOQ) against site consumption to monitor material usage and flag discrepancies, reducing wastage and procurement delays
- Coordinated between the procurement team, vendors, and site engineers to align delivery timelines with project milestones.
