INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 25 Weeks)

A+ Architects +Planners

01-Jan-2024 - 30-Jun-2024

25 Weeks

PROFILE: Intern Architect

- Assisted in conceptual design development for residential, commercial, and institutional projects.
- Prepared AutoCAD drawings, working drawings, and presentation sheets under senior architect supervision.
- Participated in site visits, documented site conditions, and supported project execution coordination.
- Conducted material research and compiled specifications for ongoing design projects.
- Monitored on-site civil activities for a residential project, ensuring compliance with design drawings and safety standards.
- Reviewed architectural plans using AutoCAD, identifying and resolving 2 potential design conflicts before execution, preventing rework.
- Collaborated with the site engineer to track daily progress and update the project tracker, contributing to timely completion of the foundation phase.

ACHIEVEMENT DETAIL

- Final year thesis project: Designed a 3,00,000 sqm sustainable international airport terminal integrating green technologies and smart planning principles.
- Led a Team in College For NASA (National Association of Students of Architecture) G-Sen Competition
- Organized college-level Cultural fest attended by over 500 students.
