SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-APM	NICMAR University, Pune	9.63	2027
Graduation	BMS COLLEGE OF ARCHITECTURE, BANGALORE	82.8	2023-Jun
Intermediate	CENTRAL BOARD OF SECONDARY EDUCATION, DELHI	95.4	2018-May
High School	CENTRAL BOARD OF SECONDARY EDUCATION, DELHI	95	2016-May

WORK EXPERIENCE (1 Year 8 Months)**Pragrup: Architecture and Urbanism**

20-Sep-2023 - 13-Jun-2025

1 Years, 8 Months, 24 Days**PROFILE:** Architect

- Supported the **project lifecycle from concept to execution**, ensuring alignment of design intent with construction feasibility and client requirements.
- Developed creative and functional architectural concepts for buildings and spaces.
- Prepared and monitored **integrated project schedules, design deliverables**, and consultant coordination plans in line with project timelines.
- Facilitated **cross-functional collaboration** between structural, MEP, and interior consultants to streamline decision-making and minimize design discrepancies.
- Participated in **progress reviews and consultant meetings** to support timely execution and change management.
- Conducted **regular site visits** to assess work progress, resolve technical queries, and verify adherence to quality and safety standards.
- Prepared **reports, dashboards, and presentations** for client and internal reviews, summarizing progress, key risks, and corrective actions.
- Produced **3D models and visual renders** to effectively communicate design proposals and facilitate stakeholder buy-in.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 25 Weeks)**Mistry Architects**

22-Aug-2022 - 23-Dec-2022

17 Weeks**PROFILE:** Architectural Intern

- Assisting in developing conceptual and schematic design proposals.
- Preparing architectural drawings, presentations, and 3D models.
- Supporting the design team with research on materials, building codes, and information of site conditions.
- Participating in design reviews, team meetings, and client presentations.
- Contributing to documentation sets (plans, sections, elevations) with the help of various softwares.
- Going for site visits and assisting with surveying or documentation tasks.
- Organizing and maintaining project files, materials libraries, and sample boards.
- Learning and applying office standards, workflows, and project delivery methods.

KPMG India

04-May-2026 - 26-Jun-2026

7 Weeks

PROFILE: Major Project Advisory (MPA) Intern

- Engaging with internal & external stakeholders to understand regulatory approval processes required for wind power projects.
- Conducting research on state-wise, CTU/STU- specific approval frameworks and developing a comprehensive data-base for all wind projects in terms of the same.
- Mapping, categorizing and analysing approvals, their workflows, project dependencies and critical milestones across project lifecycle stages.
- Developing a standardized Daily Progress Report (DPR) framework for project monitoring and reporting by studying wind project work-packages.
- Designing and creating interactive PowerBI dashboards for project progress, approval tracking and portfolio-level reporting.

ACHIEVEMENT DETAIL

1. 28-day scholarship to Sankt Peter-Ording, Germany- Awarded by Goethe-Institut (Max Mueller Bhavan), Bangalore: based on A2 German examination performance.2. Presented a project of our office at Jio World Convention Centre, Mumbai as part of the SSMB (Steel Structures & Metal Buildings) Awards as part of the Steel Construction Expo (Published in SSMB Magazine- October 2024).3. Selected for Lixil Mentorship Program with Ar. Sharukh Mistry in 2021 and subsequently with Ar. Tony Joseph in 2023.4. NASA Winterschool program certification- Secure by Design (Dr. Manjari Khanna)
