WORK EXPERIENCE (1 Year 8 Months)

Creative Lab Interiors and Contracting

15-Sep-2023 - 22-May-2025

1 Years, 8 Months, 7 Days

PROFILE: Interior Architect

Interior Architect

1. Designed and developed innovative space plans for residential, and commercial projects, ensuring optimal functionality and aesthetics.
2. Produced high-quality 3D visualisations and presentations to effectively communicate design concepts to clients and stakeholders.
3. Oversaw site execution to maintain design integrity, resolve on-site challenges, and ensure seamless implementation.
4. Coordinated with contractors, vendors, and multidisciplinary teams to deliver projects within deadlines.
5. Applied strong problem-solving, time management, and leadership skills to drive project success.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 33 Weeks)

Shilpa Architects

10-Jan-2022 - 30-Jun-2022

24 Weeks

PROFILE: Intern Architect

Intern Architect

Assisted in the design and development of high-rise and interior architecture projects under the guidance of a senior architect.

1. Created conceptual layouts, Elevations, 3D visualisations, and presentation drawings to support design proposals.
2. Participated in client meetings and design reviews, contributing creative inputs and technical support.
3. Conducted research on materials, finishes, and design trends to enhance project quality.

Ashoka Builders India Private Limited (ASBL Private Limited)

04-May-2026 - 04-Jul-2026

8 Weeks

PROFILE: Design Coordinator Intern

1. Assisted the Space Design team in conducting market research, user analysis, and amenity benchmarking to support data-driven design decisions for residential developments.
2. Collaborated with design, branding, project, and vendor teams to ensure seamless project coordination and execution.
3. Performed site visits to monitor project progress, identify execution requirements, and support implementation planning.

4. Reviewed architectural drawings, brochures, walkthroughs, and marketing collateral to ensure technical accuracy and design consistency.
5. Coordinated branding activities and visual communication deliverables while maintaining alignment with project objectives.
6. Identified design discrepancies, documented observations, and supported quality assurance before final project releases.
7. Prepared presentations, project documentation, reports, and stakeholder communication materials.
8. Supported cross-functional teams by facilitating coordination between architects, branding teams, consultants, contractors, and project stakeholders to achieve timely project delivery.
