High School	MAHARASHTRA STATE BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION, PUNE	79.4	2016-Mar

WORK EXPERIENCE (2 Years 0 Months)

Econiwaran (Way to Sustainable Development)

16-Jun-2023 - 20-Jun-2025

2 Years, 0 Months, 4 Days

PROFILE: Junior Architect

- Interacted with clients to understand project requirements and translate them into feasible design and material solutions, coordinated with contractors, vendors, and consultants to finalize materials and specifications.
- Managed client expectations and handled revisions, contributing to Project life cycle to successful project closures Conducted site visits to ensure execution aligned with design intent and client requirements.
- Maintained regular follow-ups with stakeholders to ensure timely project progress and approvals Led client meetings, requirement analysis, and design presentations, aligning architectural concepts with client expectations and project objectives.
- Developed conceptual and schematic design proposals for residential, hospitality, and commercial spaces, translating client vision into functional layouts.
- Contributed to commercial interior development including a caf   project in Aurangabad, focusing on layout planning, user experience, and brand-oriented spatial design.
- Prepared detailed architectural drawings, BOQs, and construction documentation for interiors, restaurants, and resort developments.
- Coordinated with vendors, contractors, and consultants for material selection, costing discussions, and project workflow alignment.
- Conducted site inspections and progress reviews, ensuring execution matched design intent and project timelines.
- Supported project planning and execution processes, assisting in maintaining quality standards, budgets, and delivery schedules.

Milestone Project

Sustainable Bus Stop      Conceptual Design, Mauritius

- Contributed to the conceptual design of sustainable bus stops addressing urban mobility, environmental, and traffic challenges.
- Researched and integrated eco-friendly materials and cost-efficient construction strategies using recycled steel and plastic.
- Incorporated cultural design elements of Mauritius, including motifs inspired by Kirti Mukha and the Seven Colored Earth.
- Developed two design proposals      a culturally inspired traditional concept and a futuristic honeycomb structure with solar-powered pods.
- Proposed energy and water self-sufficient features to enhance environmental sustainability.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 23 Weeks)
SPACE CDA

18-Jul-2022 - 31-Dec-2022

23 Weeks
PROFILE: Junior Architect

- Supported senior architects in client discussions, design presentations, and concept development to translate client requirements into practical design solutions.
- Conducted building mapping and preparation of as-built drawings using AutoCAD for residential and commercial projects.
- Measured and analyzed floor areas, assisting in space planning decisions and land-use documentation.
- Assisted in the design and execution planning of a residential interior project (~9,500 sq. ft.) in Nashik, coordinating drawings and site inputs.
- Prepared construction drawings, design documentation, and interior detailing for residential spaces, restaurants, and hospitality projects.
- Participated in site visits, vendor coordination, and project monitoring, gaining exposure to real construction workflows and stakeholder coordination.
- Conducted heritage site visits and architectural mapping in Nashik, documenting spatial layouts, built forms, and cultural elements for contextual design understanding.

CERTIFICATION DETAIL

- UI UX Design
- Professional Course in Stereoscopic Film Making

ACHIEVEMENT DETAIL

A multidisciplinary individual with achievements across architecture, performing arts, fashion, and academics, reflecting creativity, leadership, and cultural engagement. I have actively participated in diverse artistic, academic, and cultural platforms, developing analytical thinking through architecture and expressive creativity through music, theatre, and fashion.

Hailing from Chhatrapati Sambhajinagar (Aurangabad), my journey has been driven by a passion for learning, performance, and design. With a background in architecture, classical music, theatre, and fashion modeling, I aim to contribute as a well-rounded individual combining creativity, discipline, and cultural expression.

TEDx Speaker Performer 2026

Delivered a talk on the journey of integrating music, fashion, and design as forms of creative expression and personal growth. (India)

Most Popular Face Lokmat (2024)

Public recognition award for personality, style, and cultural representation in media platforms.

Balasaheb Karandak Best Entertaining Drama (Public Choice) 2024
Shishyottam Puraskar MGM University (2023)
Indian Institute of Architects Best Outgoing Student (2023)
Madhyama Purna Classical Instrument (First Grade)
Mindrain Architecture Competition Third Prize (2020)

International architectural design competition recognizing innovative conceptual design thinking. (International)
