INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 38 Weeks)**RAJ PATH INFRACON PVT.LTD**

02-Sep-2024 - 31-May-2025

38 Weeks**PROFILE:** Junior Engineer**Project Monitoring**

• Monitored project progress to ensure adherence to timelines, quality standards, and budgetary constraints.

• Conducted regular site inspections and progress reviews to identify potential risks and implement corrective measures.

• Maintained detailed reports on work progress, material usage, and contractor performance for management review.

• Ensured compliance with project specifications, safety norms, and quality control procedures.

• Collaborated with cross-functional teams to track milestones and achieve project deliverables efficiently.

Project Scheduling

• Prepared and maintained project schedules using MS Project / Excel to ensure timely execution of all activities.

• Developed work breakdown structures (WBS) and identified critical paths for efficient time management.

• Coordinated with contractors, suppliers, and engineers to align daily activities with the overall project timeline.

• Updated project plans regularly to reflect actual progress and forecast future performance.

• Assisted in resource allocation and sequencing of tasks to optimize productivity and minimize delays.

Liaisoning Work

• Acted as a key point of contact between clients, consultants, contractors, and government authorities.

• Facilitated smooth communication and coordination for obtaining necessary approvals and clearances.

• Maintained professional relationships with stakeholders to ensure project requirements were clearly understood and executed.

• Assisted in documentation and submission of permits, licenses, and regulatory reports.

• Supported management in resolving inter-departmental issues through effective coordination and negotiation.
