22-Jan-2023 - 23-Feb-2023

4 Weeks**PROFILE:** SITE ENGINEER

During my internship, I worked as a Site Engineer, focusing on the integration of software tools with on-site construction practices. I actively engaged in understanding and applying project planning and management software while gaining hands-on experience at the construction site.

I successfully balanced technical learning with field execution, contributing to smooth project progress. My performance exceeded expectations, and I completed the internship project ahead of schedule with positive feedback from the supervising team.

CONVENIENT CONSTRUCTION CONSULTANCY Pvt.Ltd. (CCCPL)

04-May-2026 - 11-Jul-2026

9 Weeks**PROFILE:** Intern- Project Management/Construction Management

During my internship at **Convenient Construction Consultancy Pvt. Ltd. (CCCPL)**, I worked as a **Project Management Intern**, assisting the Project Manager in the planning, coordination, monitoring, and execution of construction activities. My role involved supporting day-to-day project operations, ensuring that work was carried out in accordance with project schedules, quality standards, and safety requirements. I collaborated with site engineers, contractors, and other stakeholders to facilitate smooth project execution and timely completion of assigned tasks.

I participated in project planning, monitored construction progress, maintained project documentation, and assisted in coordinating various site activities. Additionally, I contributed to project reporting, progress tracking, and communication among team members while gaining practical exposure to project management principles, construction methodologies, and professional site practices. This internship enhanced my technical knowledge, problem-solving abilities, communication skills, teamwork, and understanding of real-world construction project management.
