SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-APM	NICMAR University, Pune	8.84	2027
Graduation	GOVERNMENT COLLEGE OF ENGINEERING AURANGABAD, CHHATRAPATI SAMBHAJINAGAR, MAHARASHTRA	79.15	2022-Jul
Intermediate	CENTRAL BOARD OF SECONDARY EDUCATION (CBSE) NAGPUR MH	78.2	2018-Jun
High School	CENTRAL BOARD OF SECONDARY EDUCATION (CBSE) NAGPUR MH	91.2	2016-May

WORK EXPERIENCE (1 Year 6 Months)
Adani Solar Adani Infra (India) Ltd

01-Aug-2022 - 19-Feb-2024

1 Years, 6 Months, 18 Days
PROFILE: Assistant Manager Project Management

- Supported **project planning, scheduling and controls** for a ₹1,850 crore, 2 GW Ingot-Wafer Manufacturing Facility across engineering, procurement, construction and commissioning interfaces.
- Developed and updated **WBS-based schedules** using Primavera P6 and MS Project, incorporating activity sequencing, dependencies, milestones and baseline dates.
- Performed **baseline-versus-actual analysis**, critical-activity monitoring and schedule-variance reporting to identify slippages, constraints and recovery requirements.
- Prepared **two-week/four-week look-ahead schedules, S-curves, MIS dashboards, milestone trackers and progress reports** for management reviews.
- Coordinated engineering, procurement and construction interfaces to align drawing approvals, vendor documentation, material availability and work-front readiness.
- Facilitated multidisciplinary progress reviews and maintained **RAID, constraint and action trackers**, ensuring ownership and timely closure of project issues.
- Supported the erection of approximately **10,500 MT of structural steel within 3.5 months** through progress measurement, interface management and constraint resolution.
- Coordinated piping testing, quality records, punch-point closure and mechanical-completion documentation to support inspection and handover.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 8 Weeks)
Saint-Gobain India Pvt. Ltd.

04-May-2026 - 03-Jul-2026

8 Weeks
PROFILE: Sales & Marketing Intern

- Conducted market assessment for **glass-railing systems and shower cubicles**, covering dealers, fabricators, competitors and under-construction projects across Bengaluru.
- Planned and executed field visits using **location-based scheduling and route optimisation**, maintaining structured trackers for progress and market coverage.
- Developed a database of prospective construction projects and stakeholders, recording project stage, product requirements, decision-makers and potential opportunities.
- Analysed competitor offerings, pricing, technical specifications and channel practices to identify market gaps and support management decisions.
- Coordinated with dealers, fabricators and project stakeholders to gather requirements, validate technical information and consolidate field insights.

- Prepared periodic reports and presented actionable recommendations on market potential, customer priorities and product positioning.
