â€¢ Explore use of new materials, technologies and products to incorporate into designs.

ACHIEVEMENT DETAIL

I am a good chess player and a cricket player, excelling in both strategy and sportsmanship. In chess, I developed strong analytical thinking, patience, and the ability to plan several moves ahead, which helped me win many games and sharpen my decision-making skills. On the other hand, playing cricket allowed me to showcase my physical abilities, teamwork, and leadership, whether it was through batting, bowling, or fielding. Both these games played a significant role in shaping my discipline, focus, and competitive spirit, making me a well-rounded individual both on and off the field.
