WORK EXPERIENCE (3 Years 5 Months)
Puneet Urban spaces

14-Feb-2024 - 04-Jul-2025

1 Years, 4 Months, 20 Days
PROFILE: Jr. Architect

At Puneet Urban Spaces, I was responsible for handling projects from inception to completion, which involved extensive coordination and management across multiple stages. My role included meeting directly with clients or their mediators to understand requirements and expectations, followed by preparing and refining project plans accordingly. I oversaw the overall development process, ensuring timely progress and alignment with design and quality standards. A key part of my work was coordinating with consultants, clients, and various internal departments such as contracts, billing, site engineers, structural engineers, and quality engineers to ensure seamless execution. This role provided me with comprehensive exposure to project planning, stakeholder management, and multidisciplinary coordination, strengthening my ability to deliver projects efficiently and to the highest standards.

Atelier Design Studio

08-Dec-2021 - 03-Jun-2023

1 Years, 5 Months, 26 Days
PROFILE: Jr. Architect

During my tenure at Atelier Design Studio from December 2021 to June 2023 as a Junior Architect, I was actively involved in preparing detailed working drawings and construction documentation to support project execution. My role included developing site execution drawings and ensuring accurate translation of design intent during construction. I collaborated closely with senior architects and consultants to review and verify structural drawings for alignment with architectural requirements. Additionally, I participated in site visits to monitor progress, resolve design-related queries, and provide technical support to execution teams. This experience strengthened my proficiency in architectural detailing, structural coordination, and site execution while enhancing my ability to work within multidisciplinary teams and adhere to project standards and quality benchmarks.

Pvv infra

01-Jun-2023 - 31-Dec-2023

0 Years, 6 Months, 30 Days
PROFILE: Jr. Architect

At PVV Infra, I was engaged in core responsibilities that involved client and stakeholder coordination, particularly through CST meetings with investors to present project ideas and progress updates. I contributed to feasibility studies by analyzing project requirements, site conditions, and financial viability to support informed decision-making. My role also included preparing conceptual and detailed designs, ensuring alignment with client expectations and project objectives. By working closely with the design and planning teams, I gained valuable experience in feasibility planning, architectural design development, and effective communication with investors to drive project approvals and execution strategies.

ACHIEVEMENT DETAIL

From my college days, I have actively pursued my interest in sports, particularly football and chess, where I had the honor of being awarded at the university level. These activities helped me develop qualities such as teamwork, strategy, and perseverance. In my professional journey, I was recognized as the Star Performer of the Year for my dedication and consistent performance. Both my academic and professional achievements reflect my commitment to excellence, continuous growth, and the ability to perform effectively both individually and as part of a team
